

Navratri Celebration at Sealmatic India Ltd.

At Sealmatic India Ltd., cultural celebrations are embraced as opportunities to foster togetherness, positivity, and inclusivity in the workplace. This Navratri 2025, our women colleagues came together to celebrate the festival with elegance and enthusiasm, wearing traditional outfits in alignment with the symbolic colours of each day of Navratri.

The vibrant attire not only reflected the spirit of festivity but also celebrated the values of resilience, grace, and strength that working women bring to both their professional and personal lives. It served as a delightful reminder that tradition and modernity can harmoniously coexist in today's corporate world.

The celebration added a festive vibrancy to our workplace, encouraging collaboration and camaraderie among colleagues. It also reinforced Sealmatic's commitment to nurturing an environment where cultural heritage is valued, diversity is celebrated, and women are empowered to shine—both at work and beyond.

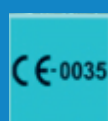

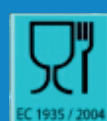

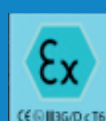

At Sealmatic, we believe that our people are the true drivers of our success, and celebrations like Navratri allow us to honour their spirit with pride.
